

Data Storage Disclaimer

April 2020

BEFORE PROCEEDING YOU MUST REVIEW THE FOLLOWING LEGALLY BINDING PROVISION

By proceeding with activating the data storage function, you (the "Client") understand and agree that the Client is solely responsible for the content and type of data stored for its constituents and External Users. CivicPlus implements industry standard data protection for stored data; however, the CivicPlus Productivity Suite (the "Services") is not intended to store personally identifiable information ("PII"), personal health information ("PHI"), payment card industry information ("PCI") or any other financial data. CivicPlus strongly discourages the Client from soliciting and storing PII and PHI within the Services and prohibits Client from soliciting and storing any PCI or any other financial data within the system. CivicPlus cannot monitor and control Client's actions; therefore, in the event Client continues with the activation of the data storage function and solicits and stores any PII, PHI, PCI or other financial data, Client as the data owner, and not CivicPlus, is solely responsible for the applicable laws and regulations regarding any data breach involving such data, including breach notification and credit monitoring requirements.
